

## Quality Products that Work for You...

STONE Quality • American Made

Quality comes first at Stone. We've been making handcrafted products for livestock producers since 1932. Over the years we've learned a great deal about quality. You can see it in the meticulous detail and workmanship of our products, and you can feel it in the way they perform.

We know you're only going to choose Stone products if they perform to your complete satisfaction. Above all, we understand that our products must not only make your job safer, easier and more effective, they must also add to your bottom line.

We value quality and performance just as much as you do.

The best way to appreciate the true quality of a Stone product is to experience it for yourself. We take pride in making products that work for you.
